PROFILE

I grew up in a multilingual household full of designers and engineers in New Berlin, WI. I moved to Minneapolis in the fall of 2019 to pursue my passion for art and design at the University of Minnesota. My hobbies include traveling, gym training, and trying new restaurants and coffee shops.

WORK EXPERIENCE

May 2021 -
Present

● **Crooked Pint Ale House**
Server, Bartender

-Exercise exceptional customer service skills while multitasking, promptly serving guests, and collaborating with restaurant staff to ensure guest satisfaction

July 2020 -
November 2020

● **Matty's Bar and Grille**
Server

-Utilized my memory and knowledge of the menu in order to provide the highest level of hospitality to customers and continuing to exceed guest's expectations and experiences

DESIGN EXPERIENCE

December 2023

● **Metro Transit**
Minneapolis Metro App Redesign

-Worked with a partner to study human factors concerns regarding Metro Transit systems
-Redesigned the Metro Transit app based on concerns found through observation, interviews, market research, and usability testing

May 2023

● **Pocket +1**
A woodworker's must-have tool

-Led a team of five student designers and engineers in a semester long project in collaboration with *Rockler Woodworking*
-Carried out extensive user and market research surrounding woodworking by conducting interviews, creating surveys, following woodworking groups, and user testing
